Charles J. Goodacre
President

As the first organization formed with a specific focus on prosthodontics, the Academy has a long history of landmark accomplishments that includes founding the American Board of Prosthodontics, developing the Glossary of Prosthodontic Terms, co-founding the Journal of Prosthetic Dentistry, playing a key role in the introduction of contemporary implant dentistry to the profession, initiating outreach programs that provide prosthodontic care to the underserved, sponsoring or participating as a key contributor to strategic symposia in prosthodontics, and facilitating the emergence of evidence-based dentistry.

In keeping with this long history of innovation and excellence, the Academy is further expanding its influence upon evidence-based dentistry through a conference jointly sponsored by the Academy and the American College of Prosthodontists that is being held April 8 in Chicago. The purpose of the conference is to expand the training and thereby the penetration of EBD into the education of both predoctoral and postdoctoral students as well as provide educators with teaching content and examples of applied EBD that they can use in their teaching. The conference is being led by Academy fellows Gary Goldstein, Sreenivas Koka, and Clark Stanford.

This 92nd Annual Meeting includes excellent presentations along with a wide variety of social events designed to sustain our unique Academy Focus upon both Scholarship and Fellowship. The scientific sessions feature many excellent speakers presenting on a wide range of topics.

The meeting is being held at the Hyatt Regency Tamaya Resort located just north of Albuquerque, New Mexico. This unique location provides an inviting and uniquely relaxing environment for the meeting. For the first time, our Annual Social Outing will include a variety of event options to meet the specific interests of our members and guests after which we will all assemble together for a wonderful outdoor lunch in the unique environment of this Indian Pueblo. The options for the outing will include a balloon ride, a tram ride to the top of 10,375 foot Sandia Peak, a visit to the Turquoise Museum accompanied by a tour of Old Town in Albuquerque, or you can choose a nature walk through the wooded areas along the river that runs through the resort. The Spouse event will be a visit to historic Santa Fe with lunch at a local restaurant. Multiple golf courses are located adjacent to and nearby the resort.

I hope you will join us for this exciting scientific meeting being held in a very unique resort environment.

Events

Welcome Reception and Blatterfein Dinner Wednesday, May 12, 6:00 - 10:00 PM

Sponsored by 3M ESPE (Everyone is invited and encouraged to attend.)

The Hyatt Regency Tamaya will provide the perfect environment to welcome guests and renew acquaintances at the opening dinner. Entrée choice of Filet Mignon or Seared Sea Bass. The dinner and reception are priced at \$104 per person. Dress: Business

Get Acquainted Breakfast Thursday, May 13, 7:00 AM

Sponsored by Ivoclar Vivadent (For Scientific Session Attendees)

Renew acquaintances prior to the start of the Annual Scientific Session. Breakfast Buffet \$39.

Trip to Santa Fe ~ Lunch and Transportation Thursday, May 13, 10:00 AM - 3:00 PM

Sponsored by Astra Tech (For spouses/guests not attending the meeting)

Shopping in Santa Fe takes you on an odyssey into charming historic buildings filled with treasures handmade and hard to find anywhere else. Whether you're looking for fashion or furniture, cowboy boots or concho belts, salsa or silver and turquoise jewelry, you'll find that and so much more in this shopper's paradise of southwest specialties as well as wonders from around the world. Train transportation and lunch are included. Price per person is \$55.

Morning Social Outing & Brunch See options below! Friday, May 14

Sponsored by Nobel Biocare USA (Everyone is invited and encouraged to attend.)

The Albuquerque area has so much to offer that this year we've arranged for four outing options.

All options include a post-outing brunch at the hotel at 11:30 AM

Option 1: Turquoise Museum and Old Town Albuquerque, \$90 per person (approx 8:00 AM)

The Turquoise Museum and its collections of turquoise have been used as a source of information and pictures for over 40 years. Uncover the mystery of turquoise, delve into its rich history, learn about the different mines, specimens, and stories of colorful characters. turquoisemuseum.com

Option 2: Tram Ride, \$95 per person (approx 8:00 AM)

The Sandia Peak Tram ride is a trip on the world's longest aerial tramway that transports you above deep canyons and breathtaking terrain a distance of 2.7 miles. See some of nature's more dramatic beauty unfold before you. Your vantage point from the observation deck atop 10,378 foot Sandia Peak in the Cibola National Forest affords an 11,000 square-mile panoramic view of the Rio Grande Valley and the Land of Enchantment. sandiapeak.com

Option 3: Balloon ride, \$230 per person (5:30 AM)

Rainbow Ryders will inflate the hot air balloon when you arrive, giving you the opportunity to become involved "hands on" as a crew member and help with the balloon inflation, or you may sit back, observe and take pictures as the gentle giant comes alive. At lift off you embark upon a journey of uniqueness. Enjoy breathtaking views of the majestic Sandia Mountains and Rio Grande Valley while floating in the sky and sending greetings to earthbound Albuquerque folks below. After landing, enjoy a champagne toast to end your safe and memorable adventure. You will be presented with a flight certificate and balloon flight pin to commemorate your aeronautical experience. Make sure you bring your camera! ANYONE WHO IS PREGNANT OR POSSIBLY PREGNANT CANNOT FLY. We recommend that you wear warm clothing and dress in layers. rainbowryders.com

Option 4: Nature Walk, \$78 per person (approx 8:00 AM)

Take a guided nature walk through the wooded areas along the river that runs through the resort.

President's Reception and Installation Banquet Saturday, May 15, 6:00 PM

Reception Sponsored by Nobel Biocare USA

Banquet Sponsored by Astra Tech

Hors d'oeuvres, a cash bar and dinner, followed by the evening's ceremonies and a night of music and dancing. The dinner and reception are priced at \$115 per person. This is a black tie optional event!
