

Join us in Naples, Florida

Celebrating 105 Years of the Academy of Prosthodontics

Dear Colleagues,

Welcome letter 2023 Annual Session

John A. Sorensen, President, Academy of Prosthodontics

We hope you will join us in celebrating 105 years of the Academy of Prosthodontics at the annual meeting May 3-6, 2023. Situated on a beautiful sandy beach and surrounded by water the LaPlaya Beach & Golf Hotel in Naples, Florida provides the perfect facilities for both scientific sessions and social events.

With the unprecedented rapid-fire introduction of digital prosthodontic technologies we determined it was time to have a meeting primarily focused on all aspects of digital technologies and digital materials. Scientific Program Chair Dr. Mijin Choi has developed an outstanding program with a fabulous lineup of speakers drawing on the expertise of our own Academy Fellows and guest speakers. Our theme is Transforming Clinical Prosthodontics With Digital Innovations: A Systematic Analysis of the Digital Workflow.

In the scientific tradition of the Academy of Prosthodontics our goal is to have our presenters perform an evidence-based critical analysis of each application of digital technology/software for each step in prosthodontics/surgery workflow and detailed examination of digital materials by materials scientists and inventors. Utilizing on the talent and expertise of our Academy clinicians they will share their research and experience comparing digital- and analogue-workflows in their practice. Dr. Choi's program also covers a wide range of topics that are sure to have something for everyone. From dental erosion, to cleft lip prosthodontic treatment, to adjunctive neuromodulator therapy, to treatment of advanced atrophic ridge situations.

The many planned activities will provide ample opportunity for networking and fellowship that are such essential components of the Academy.

On behalf of the Executive Council and Fellows of the Academy of Prosthodontics we look forward to welcoming you to our dynamic program in a beautiful beachside setting.

A handwritten signature in blue ink that reads "John A. Sorensen". The signature is fluid and cursive, with a long horizontal stroke at the end.

Dr. John A. Sorensen

President, Academy of Prosthodontics
