Bern, Switzerland
Congress Center Kursaal Bern
May 13-17, 2014
‘Grüezi’ Everybody,

While May is still a few months away, the anticipation for our first-of-its-kind Annual Academy Meeting in Bern, Switzerland, is rapidly growing. I am extremely excited about welcoming everyone to my homeland and look forward to the superb scientific program David Felton and his Committee have put together. The social events will be equally as spectacular. Officers, Counselors and Committee Members are hard at work making the necessary arrangements and are superbly supported by the staff members of RES and CCDE, our meetings arrangements partner in Bern. We could not do it without them. And our corporate sponsors have again been truly generous with their support.

As you know, the overall program will contain all the scientific and social events pieces customary to our annual meetings. Since we hope to attract many colleagues from Switzerland and neighboring countries, we have structured the Friday and Saturday program to what is customary to them, i.e., a full-day scientific session on Friday and a bit more than half a day on Saturday.

The social events of the week will start with a Cocktail Reception at the City Hall hosted by the Major of the City of Bern, followed by the Blatterfein Welcoming Dinner at the “Schwellenmätteli”, a traditional dining place for the Bernese on the banks of the River Aare. On Wednesday, there will be a spouse and guests tour to the Paul Klee Museum, an architectural highlight designed by the famous Italian architect Renzo Piano. It features about 40 percent of Paul Klee’s entire pictorial oeuvre.

On Thursday afternoon, the social outing will bring us first to the truly unique Trummelbach Falls, glacial water falls within the mountain. Only minutes from there, we will take the cable car up to the famous Schilthorn, where we will enjoy the spectacular views of the Alps and a typical Swiss dinner in the revolving restaurant ‘Piz Gloria’ amidst 200 mountain peaks!

The Friday spouses and guests tour will offer a visit to the Maison Cailler, one of the famous Swiss chocolatiers, and the picturesque medieval town of Gruyère, where the equally as famous Gruyere cheese is made. At the end of the day, fellows, spouses and guests are invited to a cocktail reception at the Congress Center hosted by the Swiss Society of Reconstructive Dentistry immediately following the afternoon scientific session.

On Saturday, spouses and their guests will have the opportunity to join a guided city tour of Bern. On this stroll through Bern’s Old Town, guided by Bern Tourism’s knowledgeable tour guides, you’ll learn everything you wish to know about the city’s 800-year history. The final highlight of the week will be the ‘Prom’ on Saturday night at the Hotel Bellevue, where we will experience the grand art of culinary hospitality in this classy traditional venue in the very heart of Bern’s old town, just a short walk or tram ride away from the Congress Center. After ‘no neck tie’ in Hawaii, we will return to 'black tie optional' dress code for this one!

After a long and frigid winter here, spring in Switzerland will be a wonderful retrieve. Cheryl and I cannot wait to welcoming you in Bern in May!

Warm regards,

HP

Social Events

Louis Blatterfein Welcoming Dinner  
Tuesday, May 13th - 6:00pm-9:00pm
The Aare river characterizes the city of Bern with its unmistakable charm, providing the perfect setting for riverside walks. The Schwellenmätteli is located on the bank of the Aare, yet right in the middle of town. At the Schwellenmätteli – rightly dubbed the Riviera Restaurant – you'll feel like you're on an island vacation. The restaurant is an oasis for dining and entertainment and has become a welcome attraction on the Bernese horizon.
Price: $130/€100 per person  
Attire: Business Casual
Includes reception, one drink voucher, dinner & entertainment

Get Acquainted Breakfast (Scientific Session Attendees)  
Wednesday, May 14th - 7:00am-8:00am
Renew acquaintances prior to the start of the Annual Scientific Session by joining your colleagues for a hot breakfast buffet at the conference hotel.
Price: $45/€35 per person  
Attire: Business Casual

Spouses/Guest Outing: Zentrum Paul Klee Museum  
Wednesday, May 14th - 10:00am-1:00pm
The Zentrum Paul Klee is a museum dedicated to the artist Paul Klee, located in Bern, Switzerland and designed by the Italian architect Renzo Piano. It features about 40 percent of Paul Klee’s entire pictorial oeuvre.
Price: $40/€30 per person  
Attire: Casual
Includes: Round-trip transportation and private tour guide

1st Business Meeting and Luncheon (AP Fellows Only)  
Wednesday, May 14th - 1:15pm-5:00pm
Support the Academy and join us for a working lunch to better our organization.
Price: $60/€45 per person  
Attire: Business Casual

Group Social Outing: Trümmelbachfälle / Schilthorn  
Thursday, May 15th - 1:30pm-10:15pm
With its ten glacial waterfalls inside the mountain, made accessible by tunnel lift, the Trümmelbach waterfalls are truly unique in Europe. Trümmelbach alone drains the enormous glacial walls of the Eiger, Mönch and Jungfrau with up to a spectacular 20,000 litres of water per second. This stems from a catchment area of 24 square kilometres of which approximately half is covered with snow and ice.
Schilthorn (James Bond movie was made here)
It takes you just 32 minutes by Cable car to reach the summit of the 2970m high Schilthorn. Enjoy the beautiful view of Eiger, Mönch and Jungfrau (UNESCO World Heritage) and on more than 200 other summits. Have a rich breakfast or a delicious meal at the world's first revolving restaurant Piz Gloria. Simply enjoy the spectacular view from the big terrace or from the new PIZ GLORIA VIEW!
Price: $215/€165 per person  
Attire: Casual
Includes: Round-trip transportation, tram ticket, drinks and dinner

Spouses/Guest Elective: Maison Cailler Broc - Gruyères  
Friday, May 16th - 1:15pm-5:30pm
An unforgettable experience during a day out at the Maison Cailler in Broc, Gruyère:
Imagine a place where all your senses can be immersed in the wonderful world of Cailler chocolate; your hands hold roasted cocoa beans and your nose follows the wafting smell of fresh chocolate whilst you discover the different production stages of the Cailler brand; your hands find its way to your mouth, where it caresses your taste buds with the fabulous flavours of the best cocoa, milk from the region, and other delicious ingredients.
Price: $90/€70 per person  
Attire: Casual

President’s Reception & Installation Banquet: Hotel Bellevue  
Saturday, May 17th - 7:00pm-10:30pm
Experience the grand art of culinary hospitality in the very heart of Bern’s old town. The Hotel Bern’s Restaurant boasts 16 GaultMillau points and is one of Bern’s exquisite gourmet restaurants. The impressive taste combinations and the unique atmosphere hold the promise of a superlative dining experience. And, weather permitting; why not enjoy the stunning views of the Bernese Alps from the Restaurant’s own terrace.
Price: $205/€155 per person  
Attire: Black Tie optional
Includes reception, one drink voucher, dinner & entertainment

Spouses/Guest Elective: Guided City Tour  
Saturday, May 17th - 10:00am-12:00pm
The best way to experience Bern's Old Town is in the company of one of Bern Tourism’s knowledgeable tour guides. On this stroll through Bern’s Old Town, you’ll learn more about the city's 800-year history.
Price: $15/€12 per person  
Attire: Casual with comfortable walking shoes

2nd Business Meeting (AP Fellows Only)  
Saturday, May 17th - 2:45pm-4:30pm
Support the Academy and join us to better our organization.
Price: Included in Registration  
Attire: Business

All activities/tours are based upon minimum attendance, availability and are subject to change.
More than authenticity.
Security for today and tomorrow.

To learn more about the importance of using authentic Straumann components, visit www.straumann.us/000
The efficient treatment concept with immediate loading.

Wide variety of prosthetic options with maximum function and fit.

Reduced need for vertical bone augmentation.

High stability with only four implants.

Maximum bone-to-implant contact and preservation of vital structures.

Register for upcoming training opportunities at nobelbiocare.com/training

The All-on-4® treatment concept was developed to provide clinicians with an efficient and effective restoration using only four implants to support an immediately loaded full-arch prosthesis.* Final solutions include both fixed and removable prostheses such as NobelProcke Implant Bridge Titanium or Implant Bar Overdenture. The tilted posterior implants help avoid relevant anatomical structures, can be anchored in better quality anterior bone and offer maximum support of the prosthesis by reducing cantilevers. They also help eliminate the need for bone grafting by increasing bone-to-implant contact. The All-on-4® treatment concept can be planned and performed using the NobelClinician Software, ensuring accurate diagnostics, planning and implant placement. Their smile, your skill, our solutions.
