Academy of Prosthodontics

96th Annual Scientific Session

www.academyofprosthodontics.org

Join us in Bern, Switzerland

96th Annual Meeting of the Academy of Prosthodontics

‘Grüezi’ Everybody,

While May is still a few months away, the anticipation for our first-of-its-kind Annual Academy Meeting in Bern, Switzerland, is rapidly growing. I am extremely excited about welcoming everyone to my homeland and look forward to the superb scientific program David Felton and his Committee have put together. The social events will be equally as spectacular. Officers, Counselors and Committee Members are hard at work making the necessary arrangements and are superbly supported by the staff members of RES and CCDE, our meetings arrangements partner in Bern. We could not do it without them. And our corporate sponsors have again been truly generous with their support.

As you know, the overall program will contain all the scientific and social events pieces customary to our annual meetings. Since we hope to attract many colleagues from Switzerland and neighboring countries, we have structured the Friday and Saturday program to what is customary to them, i.e., a full-day scientific session on Friday and a bit more than half a day on Saturday.

The social events of the week will start with a Cocktail Reception at the City Hall hosted by the Major of the City of Bern, followed by the Blatterfein Welcoming Dinner at the “Schwellenmätteli”, a traditional dining place for the Bernese on the banks of the River Aare. On Wednesday, there will be a spouse and guests tour to the Paul Klee Museum, an architectural highlight designed by the famous Italian architect Renzo Piano. It features about 40 percent of Paul Klee’s entire pictorial oeuvre.

On Thursday afternoon, the social outing will bring us first to the truly unique Trummelbach Falls, glacial water falls within the mountain. Only minutes from there, we will take the cable car up to the famous Schilthorn, where we will enjoy the spectacular views of the Alps and a typical Swiss dinner in the revolving restaurant ‘Piz Gloria’ amidst 200 mountain peaks!

The Friday spouses and guests tour will offer a visit to the Maison Cailler, one of the famous Swiss chocolatiers, and the picturesque medieval town of Gruyère, where the equally as famous Gruyere cheese is made. At the end of the day, fellows, spouses and guests are invited to a cocktail reception at the Congress Center hosted by the Swiss Society of Reconstructive Dentistry immediately following the afternoon scientific session.

On Saturday, spouses and their guests will have the opportunity to join a guided city tour of Bern. On this stroll through Bern’s Old Town, guided by Bern Tourism’s knowledgeable tour guides, you’ll learn everything you wish to know about the city’s 800-year history. The final highlight of the week will be the ‘Prom’ on Saturday night at the Hotel Bellevue, where we will experience the grand art of culinary hospitality in this classy traditional venue in the very heart of Bern’s old town, just a short walk or tram ride away from the Congress Center. After ‘no neck tie’ in Hawaii, we will return to ‘black tie optional’ dress code for this one!

After a long and frigid winter here, spring in Switzerland will be a wonderful retrieve. Cheryl and I cannot wait to welcoming you in Bern in May!

Warm regards,

HP

AP Registration Brochure

Scientific Program Schedule

Wednesday, May 14

Daniel Buser	8:30-9:30	<i>Surgical Aspects to Optimize Esthetic Outcomes with Implant Therapy</i>
Julia Wittneben	9:30-10:00	<i>Prosthetic Aspects of Implant Restorations in the Esthetic Zone</i>
Danielle Layton	10:00-10:30	<i>Lost in Translation</i>
	10:30-11:00	Break
Florian Beuer	11:00-11:30	<i>All-Ceramic Solutions on Single Implants: Chances, Risks and Alternatives</i>
Stephen Wagner	11:30-12:00	<i>The 21st Century Denture - The State of the Art</i>
Regina Mericske Stern	12:00-12:30	<i>The Edentulous Maxilla: A Challenge in Implant-Prosthodontics</i>
Radi Al-Masri	12:30-13:00	<i>Clinical Implications and Applications of Mandibular Flexure</i>

Thursday, May 15

N.P. Lang	8:05-8:35	<i>Treatment Planning: Begin with the End in Mind!</i>
Mathew Kattadiyil	8:35-9:05	<i>Complete Dentures: A Paradigm Shift?</i>
Susanne Scherrer	9:05-9:35	<i>Fracture Analysis of Clinically Failed Restorations</i>
Matthias Kern	9:35-10:05	<i>Esthetic and Minimal Invasive Anterior Tooth Replacement Revisited</i>
	10:05-10:30	Break
Frauke Müller	10:30-11:00	<i>Risks and Benefits of Implants in Old Age</i>
Luca Cordaro	11:00-11:30	<i>Possible Simplification of Treatment of the Edentulous Jaws</i>
Petra Guess	11:30-12:00	<i>Minimally Invasive Dentistry: Facts & Visions</i>
Anton Sculean	12:00-12:30	<i>Innovative Surgical Techniques and New Materials for Soft Tissue Regeneration Around Natural Teeth and Dental Implants</i>

Friday, May 16

Social Events

Louis Blatterfein Welcoming Dinner

Tuesday, May 13th · 6:00pm-9:00pm

The Aare river characterizes the city of Bern with its unmistakable charm, providing the perfect setting for riverside walks. The Schwellenmätteli is located on the bank of the Aare, yet right in the middle of town. At the Schwellenmätteli – rightly dubbed the Riviera Restaurant – you'll feel like you're on an island vacation. The restaurant is an oasis for dining and entertainment and has become a welcome attraction on the Bernese horizon

Price: \$130/€100 per person Attire: Business Casual

Includes reception, one drink voucher, dinner & entertainment

Get Acquainted Breakfast (Scientific Session Attendees)

Wednesday, May 14th · 7:00am-8:00am

Renew acquaintances prior to the start of the Annual Scientific Session by joining your colleagues for a hot breakfast buffet at the conference hotel.

Price: \$45/€35 per person

Attire: Business

Spouses/Guest Outing: Zentrum Paul Klee Museum

Wednesday, May 14th · 10:00am-1:00pm

The Zentrum Paul Klee is a museum dedicated to the artist Paul Klee, located in Bern, Switzerland and designed by the Italian architect Renzo Piano. It features about 40 percent of Paul Klee's entire pictorial oeuvre.

Price: \$40/€30 per person

Attire: Casual

Includes: Round-trip transportation and private tour guide

1st Business Meeting and Luncheon (AP Fellows Only)

Wednesday, May 14th · 1:15pm-5:00pm

Support the Academy and join us for a working lunch to better our organization.

Price: \$60/€45 per person

Attire: Business

Group Social Outing: Trümmelbachfälle / Schilthorn

Thursday, May 15th · 1:30pm-10:15pm

Trümmelbachfälle

With its ten glacial water falls inside the mountain, made accessible by tunnel lift, the Trümmelbach waterfalls are truly unique in Europe. Trümmelbach alone drains the enormous glacial walls of the Eiger, Mönch and Jungfrau with up to a spectacular 20,000 litres of water per second. This stems from a catchment area of 24 square kilometres of which approximately half is covered with snow and ice.

Schilthorn (James Bond movie was made here)

It takes you just 32 minutes by Cable car to reach the summit of the 2970m high Schilthorn. Enjoy the beautiful view of Eiger, Mönch and Jungfrau (UNESCO World Heritage) and on more than 200 other summits. Have a rich breakfast or a delicious meal at the world's first revolving restaurant Piz Gloria. Simply enjoy the spectacular view from the big terrace or from the new PIZ GLORIA VIEW!

Price: \$215/€165 per person

Attire: Casual

Includes: Roundtrip transportation, tram ticket, drinks and dinner

Spouses/Guest Elective: Maison Cailler Broc - Gruyères

Friday, May 16th · 1:15pm-5:30pm

An unforgettable experience during a day out at the Maison Cailler in Broc, Gruyère:

Imagine a place where all your senses can be immersed in the wonderful world of Cailler chocolate; your eyes discover mysterious Aztec cocoa ceremonies; your ears hear captivating accounts about François-Louis Cailler, the founder of the Cailler brand; your hands hold roasted cocoa beans and your nose follows the wafting smell of fresh chocolate whilst you discover the different production stages of the Cailler branches; and finally taste, since what would Cailler chocolate be if it didn't find its way to your mouth, where it caresses your taste buds with the fabulous flavours of the best cocoa, milk from the region, and other delicious ingredients.

Price: \$90/€70 per person

Attire: Casual

President's Reception & Installation Banquet: Hotel Bellevue

Saturday, May 17th · 7:00pm-10:30pm

Experience the grand art of culinary hospitality in the very heart of Bern's old town. The Hotel Bern's Restaurant boasts 16 GaultMillau points and is one of Bern's exquisite gourmet restaurants. The impressive taste combinations and the unique atmosphere hold the promise of a superlative dining experience. And, weather permitting; why not enjoy the stunning views of the Bernese Alps from the Restaurant's own terrace.

Price: \$205/€155 per person

Attire: Black Tie optional

Includes reception, one drink voucher, dinner & entertainment

Spouses/Guest Elective: Guided City Tour

Saturday, May 17th · 10:00am-12:00pm

The best way to experience Bern's Old Town is in the company of one of Bern Tourism's knowledgeable tour guides. On this stroll through Bern's Old Town, you'll learn more about the city's 800-year history.

Price: \$15/€12 per person

Attire: Casual with comfortable walking shoes

2nd Business Meeting (AP Fellows Only)

Saturday, May 17th · 2:45pm-4:30pm

Support the Academy and join us to better our organization.

Price: Included in Registration

Attire: Business

60 YEARS

 **straumann**[®]
simply doing more[™]

The efficient treatment concept with immediate loading.

All-on-4® treatment concept

The All-on-4® treatment concept was developed to provide clinicians with an efficient and effective restoration using only four implants to support an immediately loaded full-arch prosthesis.* Final solutions include both fixed and removable prostheses such as NobelProcera Implant Bridge Titanium or Implant Bar Overdenture. The tilted posterior implants help avoid relevant anatomical structures, can be anchored

in better quality anterior bone and offer maximum support of the prosthesis by reducing cantilevers. They also help eliminate the need for bone grafting by increasing bone-to-implant contact. The All-on-4® treatment concept can be planned and performed using the NobelClinician Software, ensuring accurate diagnostics, planning and implant placement. **Their smile, your skill, our solutions.**
