### **Program Speaker - Dr. Gerry Chiche**

#### **Title**

*Comprehensive Esthetic Rehabilitations - Balancing Artistic and Digital*

#### **Abstract**

This presentation will outline the comprehensive management of esthetic and implant rehabilitations from an artistic and digital standpoint in order to optimize communication between the restorative dentist and the dental ceramist. Systematic protection management of these rehabilitations will be a strong focus to minimize porcelain fractures and complications.

#### **Learning Objectives**

1. Learn how to maximize precision when working with the team approach.
2. Learn about various CAD/CAM options for restoring complex and esthetic rehabilitations.
3. Learn the esthetic potential among the main three ceramic systems available.

#### **Biography**
