

Academy of Prosthodontics Annual Scientific Session San Diego, California | June 1 – 4, 2022

Program Speaker – Jermaine Clark

Title

Update on Cyber Security on the Professional and Personal Level

Abstract

This presentation will review the state of Cybersecurity today, where we have been, and what we are going to see in the near future.

The world has changed in many great ways over the last 2 years, and with it came the increase in cybersecurity threats – ransomware, phishing, whaling and sophisticated email scams.

This presentation will set the stage on cybersecurity, and to leave you with actionable take aways to improve your Cybersecurity footprint in both your professional and personal arenas.

Learning Objectives

1. Know what the threat landscape is and how to navigate it
2. Options to Secure your practice and your life
3. Where to find the right guidance for your next steps

Biography

Jermaine Clark, Vice President of Operations at Techify Inc. is responsible for championing the development of innovative technologies for clients, and the continued growth and diversification of the company.

In this role he works with the CEO/Presidents of our client organizations to focus on strategic Business development through Techify's *Intelligent Technology* process. He provides a clear point of contact for our clients to develop and grow their long-term strategy to foster continued business growth and overall development, though technology strategy and innovation.

Jermaine hires and develops Techify's intellectual density by recruiting the right people for the right jobs. Which has catapulted change of the culture, growth and success of the company's operations. Jermaine meets quarterly with clients to develop working relationships and provide in-depth advice to drive change, productivity and overall improvement for their businesses, through constant review of their environment, business needs and challenges.

Jermaine has worked in project and relationship management for over 17 years and continues to develop his acumen to add value to Techify, Vendor partners and supported clients.
