MAY 1-5, 2003

# 85TH ANNUAL MEETING BOSTON, MASSACHUSETTS

## THINGS TO DO IN BOSTON

Harbor Cruise

Boston Pops

JFK Library and Museum

Museum of Fine Arts

Premiere Shopping

Science Museum

Aquarium

Duck Tours

North End Tour

USS Constitution

Historic Boston Tours

Golfing

Fishing

**Visit the Academy website:**

[www.academyprosthodontics.org](http://www.academyprosthodontics.org)

*Additional details will be found on  
pages 6-7*

**Boston is the walking city so bring comfortable shoes. The weather in May is typically in the sixties. You will need a light jacket or sweater for spring's changeable weather. It may be cool in the evening. Layers are always a good thing! We hope you will find something of interest in what has been planned and we look forward to seeing you in May.**

*Arrangements will be made to escort small groups to the various locations, so if you don't like going alone come to the Adams Hospitality Room on the 7th floor and sign up.*

## Scientific Program

*President Gary Rogoff  
Boston, MA*

On behalf of the Executive Council of The Academy of Prosthodontics and our Scientific Program and Local Arrangements Committees, I would like to invite you to Boston, Massachusetts, for the 85<sup>th</sup> Annual Meeting of the Academy. The Scientific Program we have planned represents the efforts of many of our Fellows under the direction of our Scientific Program Chair, Dr. Cliff VanBlarcom. As you will see from this announcement, our academic endeavors are infused with a variety of social events for your enjoyment. This unique combination of study, discussion, camaraderie, and social interaction is traditional for our Academy. Our goal is to provide an environment conducive to advancement in the field of Prosthodontics, as well as to expanding the professional horizons of all our Fellows and guests.

This year's Scientific Session will begin with a particularly timely presentation on Ethical Considerations in Healthcare. Spouses or companions of our registered guests will be welcome to attend this opening presentation, as its significance in today's society is universal. Topics in bioengineering relevant to Prosthodontics and prospective implant research will follow. Our program will also include papers addressing the ever-increasing demand for ceramic and resin restorations, and the changing clinical practice of Prosthodontics. We anticipate an outstanding series of presentations, with many of the essays being moderated and formally discussed by Fellows of the Academy.

Life Fellows of our Academy, Dr. Douglas and Mrs. Minnie Atwood, and Dr. A. Albert and Mrs. Lee Yurkstas will be serving as our Honorary Local Arrangements Chairs. Dr. Ted and Mrs. Marguerite Riley and their Local Arrangements Committee have organized a variety of social events to entice you, so please join us and take advantage of fishing, golfing, cruising, historic and educational attractions, and all that Boston has to offer. Be sure to attend our traditional scheduled events, as there are many surprises yet to unfold.

Finally, I would like to express the sincere appreciation of our Executive Council and all of the Fellows of the Academy for the support of our Academic Institutions and Corporate sponsors, whose enthusiasm for our programs has enabled our educational and social activities to be so exceptional.

Join us in Boston and be part of our history!

# WESTIN COPLEY PLACE

## MAY 1-5, 2003

### Event Information

Dr. Ted Riley  
Boston, MA

On Thursday there will be a premeeting golf and lunch at **Indian Ridge Country Club** in Andover. Prizes will be awarded for the best duffers. For the non-golfers there will be a historic **City Tour**. We've combined the best of old and new Boston with a journey into the historic countryside towns of Cambridge, Lexington and Concord. The Thursday evening Louis Blatterfein Welcome Dinner will have a Historic Boston theme.

Mrs. Marguerite Riley  
Boston, MA

The Spouse/Companion Tour on Friday will be to the **Museum of Fine Arts** where we will have a guided tour of the museum, followed by a luncheon. The **Spirit of Boston Harbor Cruise** and Lobster Dinner is planned for Friday evening. This event is sponsored by Straumann USA and promises to be a great night. If you don't like lobster, don't worry; beef will also be served in addition to great side dishes. Plan to attend, see the city from the water, watch the sunset, enjoy a great meal, and dance the night away in the beautiful enclosed dining room. Don't like boats? A limited number of theater tickets will be available for the land lovers for Friday evening.

The Member-Guest Social Outing will take place on Saturday. Our destination is the **John Fitzgerald Kennedy Library and Museum** located a short distance from the Westin Hotel. We will be transported via Beantown Trolleys. En route we will have a narrated City Tour where we will see the Holocaust Memorial, The Old State House and Beacon Hill as well as other historical sights including the **USS Constitution**. After a stop at the Constitution, which you will be able to board if you choose, we will continue on to The JFK Library where we will have a private viewing of the museum followed by a cocktail party and a "Taste of Boston" dinner. The national champion Harney School of Irish Dance will be our entertainment for the evening. Attire is business casual.

The Installation Banquet, our black tie affair, will take place on Sunday evening. We will dance to the music of **Joey Scott & the Connection**, one of the most sought after groups in the New England area. Joey Scott is one of Boston's premier lead vocalists and Gigi Abraham complements the eight piece band's repertoire of Motown, lost 45's from the 60's, and dance classics from the 70's, in addition to some of the best music of the 80's, 90's and today. All this is in addition to the music of Sinatra. Something for everybody!

We have arranged several pre and post meeting events including a limited number of coveted tickets for PREVIEW NIGHT at the POPS! This is truly a Boston tradition that will take place on Tuesday evening, May 6th. If you are interested let us know as soon as possible by e-mail [marguerite@attbi.com](mailto:marguerite@attbi.com) or call (617) 698-2937.

### HOSPITALITY SUITE EVENTS

We encourage all spouses and guest companions to visit the Academy's Hospitality Suite in the Adams - 7th floor. Renew acquaintances and meet new friends over coffee and danish. Special presentations have been scheduled at the beginning of each day.

#### Friday

*A representative from the Greater Boston Convention and Visitors Bureau will speak about What To Do In Boston!!! Sign up sheets will be available for various tours and activities to keep you busy while in town. Options include: The Literary Trail, Freedom Trail, Innovation Trail, Science Museum, Aquarium, Architectural Tours, Historic Boston Public Library Tour, Duck Tours, Ghosts and Gravestones of Boston, North End Market Tours, Children's Museum, Fenway Park Tour (schedule permitting) and even Bike Tours to name a few.*

#### Saturday

*Saturday morning before we head off in different directions a representative from the Award winning Grettacole Salon and Beauty Spa will speak on the benefits of spa treatments in stress reduction and makeup flaws. As a registered guest of the Westin Hotel you will receive a 10% discount on services. So if you would rather relax than sightsee, call ahead and make an appointment to pamper yourself.*

#### Sunday

*On Sunday morning we have arranged to have world famous Filene's Basement open early just for our group. For one hour starting at 10:00 am, we will have the store to ourselves, no crowds to fight! We will return to the Westin at noon but you may stay longer if you choose! If you are still in the mood to shop and want to head to the outlet stores, transportation will be provided to take a small group to the Wrentham Village Premium Outlet located 35 miles south of Boston. Shop till you drop at 130 designer and name brand stores.*

#### Monday

*Proper Bostonian: At 9:00 am Judith Bernstein will provide us with an entertaining and affectionate tribute to Boston society. Enjoy her presentation while having your coffee.*

# Scientific Session I

FRIDAY MAY 2, 2003

Presiding: Dr. Ichiro Nishimura

## Keynote Address: ETHICAL CONSIDERATIONS IN HEALTHCARE

In a time in which bio-medical and genetic technology is advancing rapidly, it is becoming increasingly difficult to place ethical decision making in a useful and practical paradigm. We often rely on past experience or emotional backgrounds to make decisions without understanding the full implications of such decisions.

The purpose of this presentation will be to place biomedical ethics in an historical perspective, and to equip participants with philosophical models which will serve as useful tools to approach diverse medical dilemmas. While the models discussed will be theoretical, example cases will be discussed for each representative concept.

*Dr. Michael Attas  
Waco, TX*

### **Bioengineering of Nano-Ordered Apatites**

*Dr. Ben Wu  
Los Angeles, CA*

### **Periodontal or Implant-Supported Prostheses**

*Dr. Carlo Marinello  
Basel, Switzerland*

### **Immediate Functional Loading of Branemark Dental Implants: 7 Year Results**

*Dr. Glenn Wolfinger  
Fort Washington, PA*

### **Cyclic Loading of Implant-Supported Prostheses: Comparison of Gaps at the Prosthetic-Abutment Interface when Cycled Abutments are Replaced with As-Packaged Abutments**

*Dr. Donna Hecker, Minneapolis, MN*

# Scientific Session II

SATURDAY MAY 3, 2003

Presiding: Dr. Stephen D. Campbell

### **Engineering Tissues for Prosthodontic Applications**

*Dr. Dianne Rekow  
New York, NY*

### **The Control of Periodontal Infections**

*Dr. Sigmund Socransky  
Boston, MA*

### **Investigating the Effect of Fatigue Phenomenon on All-Ceramic Restorations**

*Dr. Stefan Neeser  
Boston, MA*

### **A Prospective In-Vivo Study of Restorations in Three Different All-Ceramic Materials**

*Dr. Kenneth Malament  
Boston, MA*

### **All-Ceramic Crowns and Teeth – Problems and Solutions to Damage and Fatigue**

*Dr. Van P. Thompson  
New York, NY*

*Dr. Clifford W. VanBlarcom,  
Chair, Scientific Program Committee  
Prairie Village, KS*

**ADAC·E·R·P®**  
CONTINUING EDUCATION RECOGNITION PROGRAM

The Academy of Prosthodontics is an ADA CERP recognized provider of continuing education credit. The 85th AP Annual Meeting is designed with four morning sessions from Friday through Monday with over 16 credit hours available. The Scientific Program is the result of many Academy fellows who will be acknowledged at the opening session.

# Scientific Session III

SUNDAY MAY 4, 2003

Presiding: Dr. Alan B. Carr

**An Update on Resins in Dentistry**  
*Dr. Dan Nathanson*  
*Boston, MA*

**Analysis of Implant Placement Procedures in a Prosthodontic Practice**  
*Dr. Tom McGarry*  
*Oklahoma City, OK*

**A Step Closer to Developing an Artificial Tooth Model**  
*Dr. Leila Jahangiri*  
*New York, NY*

**The Effect of Simulated Dentures on Taste Perception**  
*Dr. Kendra Schaefer*  
*Philadelphia, PA*

**Zirconia Ceramics: Materials, Properties, Processing and the Clinical Story**  
*Dr. J. Robert Kelly*  
*Farmington, CT*

**The Single-Pieced Milled Titanium Implant Fixed Partial Denture**  
*Dr. Stephen M. Parel*  
*Dallas, TX*

**Molecular Determinants and Gene Therapy for Implants**  
*Dr. Takahiro Ogawa*  
*Los Angeles, CA*

**Prosthodontic Practice in a Transforming Economy**  
*Dr. Radek Mounajjed*  
*ICC Speaker*  
*Hradec Kralove*  
*The Czech Republic*

# Scientific Session IV

MONDAY MAY 5, 2003

Presiding: Dr. Stephen E. Eckert

**Assessment of Incorporating Problem-Based Learning within Traditional Prosthodontics Course**  
*Dr. Lily T. Garcia*  
*San Antonio, TX*

**Outcome Analysis in Implant Prosthodontics- Understanding Success and Avoiding Failure**  
*Dr. David Gelb*  
*West Hartford, CT*

**A Three Unit FPD vs Single Tooth Implant Restoration: What is the Standard of Care?**  
*Dr. Thomas J. Salinas*  
*Omaha, NE*

**Mixing Implants with Natural Teeth**  
*Dr. Gary S. Solnit*  
*Beverly Hills, CA*

**Undergraduate Dental Student Perspectives on Implant Dentistry Education**  
*Dr. Ahmad Mallhagh-Fard*  
*Detroit, MI*

**Prosthodontic Habilitation of the Pediatric Patient with Congenital/Developmental Defects of the Head and Neck—A Long Term Follow-up**  
*Dr. Thomas J. Vergo, Jr.*  
*Boston, MA*

**Surgical Implant Placement by Prosthodontists: Pro and Con**  
*Dr. David W. Eggleston*  
*Newport Beach, CA*  
*and*  
*Dr. Lyndon F. Cooper*  
*Chapel Hill, NC*

# Event Information

Please fill in your name on the **Registration Form**, as you would prefer it on your name badge. Also include telephone numbers and e-mail addresses in case we have any questions regarding your registration information. A return envelope is enclosed for your convenience. The bold letter (**A** through **M**) preceding each event corresponds to the event on the registration form. Please note that there are additional Spouse/Companion events available, many of which take place while the Scientific Session is in progress. Please take advantage of the other Pre and Post Meeting Events by contacting the telephone number listed. The Spouse/Guest Hospitality Suite will be located in the **Adams Room - 7th floor** every morning.
